

GNM INFRA SOLUTION

PRIVATE LIMITED

“Rock To Road Solution”

Our mission is to deliver end-to-end solutions in mining, construction, and infrastructure equipment by offering world-class machinery, reliable spare parts, and dedicated service.

A **GANGANAGAR** *motors* Group Company

BUSINESS UNITS

KOBELCO

Kobelco offers **Excavators** from 3T to 85T, covering mini, mid-size, and heavy-duty models. Popular SK80, SK140, SK220, SK350, SK520 and SK850 ensure fuel efficiency, durability, and performance in construction and mining, powered by advanced Japanese technology.

CONMAT

Conmat offers **Batching Plants, Transit Mixers, Slipform Pavers, and Self-Loading Mixers**. Renowned for durability, efficiency, and innovation, these machines power infrastructure, roads, bridges, and real estate projects, delivering reliable performance across challenging construction environments.

HAILSTONE

Hailstone offers **Crushing, Screening, and Washing Equipment** for mining, quarrying, and construction. Known for durability, performance, and low maintenance, its Jaw Crushers, Cone Crushers, VSIs, and Modular Plants deliver consistent output across applications.

BKT

BKT offers **Off-Highway Tyres** for agriculture, construction, mining, and industrial applications. Renowned for durability, traction, and performance, BKT tyres ensure productivity and reliability across demanding terrains, supporting global customers with innovative products.

PAI KANE

Pai Kane offers **Diesel and Gas Generators** with advanced Glass Reinforced Polymer canopies. Renowned for durability, efficiency, and low noise, Pai Kane gensets provide reliable power solutions for industrial, commercial, and residential applications.

DYNAPAC

Dynapac offers **Compactors, Pavers and Rollers**. Recognized for precision, reliability, and efficiency, Dynapac machines support highways, airports, and urban projects, ensuring smooth, durable surfaces and high productivity in paving and compaction worldwide.

MARINI

Marini offers **Asphalt Mixing Plants** engineered for road construction and infrastructure projects. Known for reliability, efficiency, and advanced technology, Marini solutions deliver precise mixes, reduced emissions, and consistent performance.

SHELL

Shell offers **Lubricants and Greases** trusted across automotive, industrial, and construction sectors. Known for innovation, quality, and reliability, Shell products extend equipment life, improve efficiency, and ensure smooth operations under demanding conditions worldwide.

WHY US

True success comes from working with a partner you trust to provide the quality product and personalized service that will propel your business forward. Experience the GNM advantage.

Quality Product

Personalized Service

Trusted Relationships

EXCAVATORS
3 TONS TO 85 TONS

PAVING MACHINE
9 METRE TO 13 METRE RANGE

COMPACTORS
MINI, TANDEM & SOIL

REDLINE LIGHT EQUIPMENT
ROLLERS, CUTTERS & POKERS

ASPHALT PLANT
ALL TYPES

SELF LOADING CONCRETE MIXER
2.5 Cu.M to 4.8 Cu.M

PAVER
CANAL & ROAD

BATCHING PLANTS
ALL TYPES

CRUSHERS
JAW, CONE, FINE CONE & SCREENING

SAND PLANT
50 TPH TO 500 TPH

WASHING SOLUTIONS
RANGING FROM 50-55 TPH TO 280-300 TPH

GENERATORS
15 KVA TO 2250 KVA

LIGHT TOWER
5 KVA TO 7.5 KVA

TYRES
TIPPER & MACHINERY

CYLINDER & PARTS
BACKHOE LOADER & EXCAVATOR

LUBRICANTS
COMPLETE RANGE

PRODUCT PORTIFOLIO

Extensive range of High Quality Construction Equipment & Parts available in Rajasthan
